

HERBS & SPICES

Rich in vitamins and mineral salts, Herbs and Spices help reduce fat and salt quantities used in the kitchen and are a great benefit to our body's health. We only select and use premium quality herbs, spices, roots and flowers, to realise highly efficient products with a unique taste. They can be used while cooking every day to create new flavour mixes and tasty recipes. Creating new tastes is our tradition since ever.

FLAVOURS

- GARLIC
- BASIL
- CINNAMON
- TURMERIC
- CURRY
- CHIVES

DESCRIPTION

Our Herbs & Spices line exalts your cuisine with **100% natural** delicious scents, vivid colours and intense flavours. Our internal laboratory thoroughly inspects taste, colour, scent, humidity and volatile oil content of **each raw material**. Herbs and Spices are stored in highly-controlled conditions in our warehouses and only the products that pass our strict tests are released for production and reach your tables.

CHEF'S PICK

GARLIC: Ideal for sauté, fish and vegetables dishes.

BASIL: Excellent to season pasta, bruschetta and vegetables.

CINNAMON: Try it with porridge and to prepare cakes and biscuits.

TURMERIC: Perfect for risotto, chicken and vegetables.

CURRY: Ideal for chicken, risotto and salads.

CHIVES: Excellent for soups, vegetables and meat dishes.
