

THE SEASONINGS

Our Seasonings are the fruit of an accurate work, to create mixes for every need in the kitchen. The raw materials used are premium quality, this is the only way to realize highly-efficient products with a unique taste. Our Seasonings can be used to cook every day to create new flavour mixes and tasty, unique, original recipes. Creating new flavours is our tradition since ever.

FLAVOURS

- ARRABBIATA
- POULTRY
- BEEF
- SALADS & CAPRESE
- FISH & SEAFOOD

DESCRIPTION

The scents and intense flavour range of our **Seasonings** is ideal to **enhance every single dish**, exalting and making their taste unique and original. **Valued blends, specific for any recipes**, that can be used by anyone in the kitchen with ease and immediacy. **100% natural**, with no thickeners, glutamate, preservatives and chemical additives, they are ideal to help you maintain a **healthy, light, tasty diet**.
